

MK SERIES

Lithium Battery Torque Gun

With a new torque display and buttons, this newly designed MK battery torque wrench offers unmatched power, versatility and reliability. MK Preferred Series allows users to choose the target torque more conveniently.

- Digital torque setting, adjustable every 1 Nm.
- Torque up to 8000 Nm with automatic release of reaction arm as standard.
- For applications with limited power sources or field service.
- Longer battery life, two batteries and one charge are standard
